## Welcome to Nursery

This first half term is very exciting in Nursery! There will be lots of learning through play and circle times. Your child will be learning how to become more independent, which you can support them with by encouraging them to feed and dress themselves which includes putting on their own coats. Please ask your child about the `coat flip` technique.

Our theme this half term will be `Me and My Community` and `Exploring Autumn`. These projects help us to learn more about your children and for them to get to know their friends. They will also help us to explore the different changes in the seasons. As a class we will be reading and exploring the exciting text, `Dogs` by Emily Gravett. We will also be visiting Forest School.

## Planners

Children will have a new planner when they start. Children are expected to bring their planner and reading book with them every day. Parents/carers please sign the planner on the correct date that your child has read. If your child reads something other than their school book, that's still great, but please sign to let us know they have done some reading.

## Reading

This half term your child will be bring home a book in their reading folder that will be changed once a week. This book will be a story book that they have chosen and is for you to read to your child. Please take the time to read regularly with your child.

## Ways to contact us

If you have any concerns or questions, contact us through Seesaw or the school office. We are always happy to talk to you when you drop-off and collect your children.
