## Welcome to Nursery

This next term is very exciting in Nursery! There will be lots of learning through play and circle times. Your child will continue to learn how to be independent, which you can support them with by encouraging them to feed and dress themselves which includes putting on their own coats. Please ask your child about the `coat flip` technique.

Our themes this term will be `Sunshine and Sunflowers` and `Big Wide World`. As a class we will be reading and exploring the exciting texts, `Mommy's Khamir` and `One`. We will also continue to visit Forest School. During circle time we will continue to share stories and nursery rhymes.

This term many of the children will also be preparing to go into Reception. To help them with this, please begin to talk to them about the `move`. We will be supporting your child to write their own name, sing lots of nursery rhymes, look at numbers in the environment and share books together.

Those children moving to Reception in September will start to be taught Nursery Read Write Inc, please look out for a parent's workshop invitation to attend, which will explain this in more detail.

## **Reading**

This term your child will continue to bring home a book in their reading folder that will be changed once a week. This book will be a story book that they have chosen and is for you to read to your child. Please take the time to read regularly with your child.

## **Ways to contact us**

If you have any concerns or questions, contact us through Seesaw or the school office. We are always happy to talk to you when you drop-off and collect your children.
