CHARGES AND REMISSIONS POLICY

SUMMARY

Charges and remission for pupils

According to the provision of the Education Reform Act, the Governing Body issues this policy statement on charges and remissions.

Charges are not allowed for any activity in school, with the following exceptions:

- Individual music tuition with parental agreement.
- Board and lodgings on residential trips
- Optional extras, that is, those activities which take place mainly or entirely out of school time.
- Certain materials, in Food Technology and Design Technology, for example, where pupils are taking the product home.
- Examination fees in certain circumstances, for example where the pupil has not been prepared for that examination by the school or where a pupil does not complete examination requirements without good reason.
- Examination fees where the candidate has previously failed the examination.
- Wilful damage to equipment or materials.
- The school may ask, not require, parents to make voluntary contributions to such activities as educational visits in school time.

STATEMENT OF CHARGES AND REMISSION OF CHARGES

INTRODUCTION

The Governing Body of Aldermoor Farm Primary School are conscious of the valuable contribution which can be made to children's education by educational activities beyond the school and beyond day to day curriculum. They are required by law to state the circumstances in which they will make charges for such activities and to say when they will exempt particular individuals from those charges.

The following statements on Charging Policy and Remission Policy are intended to fulfil the legal requirements in this respect.

Educational visits are self-financing as charges are not permitted to be supported through the school budget. The cost of the visit is calculated on the basis that all pupils are attending and based on the actual cost of the venue, event charges, external personnel and transport costs if applicable. These costs are shared equally through the contributions from parents and we require all contributions in order for the educational visit to go ahead.

However, it will be recognised that many activities would be put in jeopardy by a shortage of funds unless supported by voluntary financial contribution from parents and by funds raised through the efforts of the school and all associated with it.

The Governing Body have agreed that we are unable to offer refunds if your child is absent and unable to attend, or approval withdrawn, as costs have already been calculated and charges incurred and the school is unable to subsidise these visits from the delegated budget.

For those families in receipt of qualifying benefits the Governing Body may offer a remission towards the charges of activities outlined in this policy.

A. Charging Policy

Sections 449-462 of the Education Act 1996 set out the law on charging for school activities in schools maintained by Local Authorities in England as follows:

A1. Board and Lodging on residential visits

A charge will be made for board and lodging for pupils taking part in residential visits whether these are required as part of a prescribed public examination or specifically to fulfil the statutory requirements of the National Curriculum or religious education, or provided as an optional extra.

The charge will be at actual cost except in the case of authorised visits to Plas Dol-y-Moch Outdoor Pursuits Centre where the charges will be in accordance with scales set from time to time by the Coventry City Council.

A2. Optional Extras

Optional extras are those activities which take place mainly or entirely out of school hours and which are provided in addition to the school curriculum.

The City Council will not provide financial support for “optional extras” provided by the school and the school is required to ensure that any costs incurred must be fully covered by income generated. Optional extras provided from time to time by the school include for example evening theatre visits, visits to other countries to enhance language studies, visits to sporting events, visits to musical events, visits to exhibitions, Outdoor Studies trips and residential experience of a variety of kinds. A charge will be made at actual cost to all participating pupils for optional extras. Such costs could include an appropriate element for:

- a. a pupil’s travel costs ;
- b. a pupil’s board and lodging costs;
- c. materials, books, instrument and other equipment;
- d. non teaching staff costs;
- e. entrance fees to museums, castes, theatres etc. ;
- f. insurance costs;
- g. teaching staff specifically engaged for the activity.

The actual cost will be made known to parents before they are asked to agree to their child taking part in the activity and participation of each child will be subject to parents/carers agreeing to meet the charges.

A3. Tuition in the playing of a musical instrument

With effect from 1st September 1994 a charge will be made for individual tuition in the playing of a musical instrument where that tuition is not part of the approved curriculum of the school or part of a course authorised by the Chief Education officer and leading to an approved qualification. This charge will be in accordance with the scales laid down from time to time by the Governors of the Aldermoor Farm Primary School.

Invoices are sent out termly and must be paid in advance or in instalments. **Failure to pay your fees will result in your child being unable to participate in music tuition.**

A4. Materials used in school

The school will provide all materials and equipment (but not clothing) required for purposes of the curriculum. Essential protective clothing for example safety goggles will be provided by the school. In the case of Design Technology and Food Technology, a charge may be made for, or parents may be required to supply ingredients and materials if parents wish their child to take the product home. The charge in such cases will be not more than the actual cost of the materials and will be declared in advance to parents.

A charge may be made, at the discretion of the Head Teacher, for any wilful damage to equipment or materials, or for any loss of such equipment or materials when these have been placed in a pupil's care.

B. Remission of charges

Having regard to the provision of the Education Act 1988 and the policies of Coventry City Council the Governors of Aldermoor Farm Primary School will from 1 April 1989, remit charges in the following circumstances:

B1. Board and lodging on residential visits.

1. Plas Dol-y-Moch.
2. Other residential visits deemed to take place during school hours or provided as part of a prescribed public examination or in order to fulfil statutory requirements relating to the National Curriculum or religious Education.

Remission to parents in receipt of specified benefits and pupils entitled to free school meals via Pupil Premium. Governors must be able to meet these costs.

B2. Optional Extras

The Governing Body may at its discretion remit charges in respect of individual pupils or groups of pupils to enable them to take part in activities which are classed as "optional extras". Such remission

will be granted in whole or in part having regard to the recommendation of the Head Teacher of the School and will be financed from the School Fund.

B3. Universal Free School Meals

In England, children may be entitled to receive free school meals if their parents receive certain support payments. Parents of eligible children need to register their child with their Local Authority for supported free school meals to ensure the school receives the maximum pupil premium allocation. From September 2014, all children in reception, year 1 and year 2 in state-funded schools in England will be eligible for universal free school meals.

Please note: Registration for free school meals is requested in order to trigger the pupil premium payment. Local Authorities have access to the eligibility checking service and can help you find out if you are eligible for supported free school meals.

B4. Chargeable School Meals

Children in nursery and year 3+ are not automatically eligible for free school meals, therefore it is requested that all parents make a free school email application on the council website to check for eligibility. Where eligible, a code will be provided to the school to allow the pupil to take free school meals until the expiry date or when circumstances change and eligibility is removed, whichever comes first.

For those not entitled to free school meals, a daily charge applies. All parents/carers have a responsibility to ensure the pupil's My Child at School (MCAS) account is paid up in advance prior to allowing their child to order a meal in school. Debt and negative balances will not be permitted as of September 2025.

Where historic debt is noted, parents/carers will be subject to the Debtors Policy, which initiates a 3-Stage process for reclaiming of funds owed.

B5. Before School Club Charging Protocols

5.1 Before School Club is an additional provision that is based on the needs of our parents and local community. The provision cannot be subsidised by the delegated budget which is for the compulsory education of school age children – this is an extended service provided by the school. The provision will be reviewed annually to ensure it remains self-financing and sustainable.

5.2 Invoices are to be paid as per your agreed contract. **Failure to pay your fees will result in you losing your place at the Before & After School Club.**

5.3 A retention is not charged during holiday periods.

5.4 The Governing Body and the Head Teacher takes responsibility for the Before School Club. As this provision will be part of the school, all school protocols and policies will apply and are available from the school website.

5.5 Remissions can only be agreed by the Governing Body in line with the Charging Policy and linked to parents in receipt of qualifying benefits.

B6. Nursery Funds

Nursery children in receipt of 15-hour funding will be eligible for **either** morning **or** afternoon sessions for their allocated funded hours. Those in receipt of 30-hour funding will be eligible for full day sessions, Monday to Friday. All sessions are subject to availability and ad-hoc or mixed sessions are not available.

30-hour funding does not cover a full school day, and children on 30-hour funding codes will need to be collected at 2:30pm. Should parents/carers wish for the child to remain in school until the end of the school day, a fee will be incurred.

Funded hours do not include lunch. Nursery pupils must either bring a packed lunch or pay for a school meal in line with section B4 of this policy and the debtors policy.

Where those in receipt of 15-hour funded eligibility wish to increase to the full 30 hours per week, an extra fee applies and sessions are first-come-first-served basis, subject to availability. As above, all children attending for 30 hours per week will need to bring a packed lunch or pay for school meals, and an extra fee applies for those staying on site past 2:30pm.

B7. Extended Services & Lettings Agreement

- Lettings applications should be made in writing using letting form and be submitted for approval.
- Times stated must include time for any preparation and packing up.
- If an event over-runs, additional charges will be made.
- All charges for lettings are in line with Local Authority charges and cost of SSO overtime. Charges to be paid in advance.
- If the hirer defaults on payment, the lettings contract is terminated with immediate effect.
- A booking cancellation requires at least 3 working days before the date booked, otherwise the full hire charge will be payable.
- The School Governors reserve the right to cancel any booking and reserve the right to cancel without giving any reason.
