# School Times

Our school gates are open from 8:25am and close at 8:40am.  
At 15:10, our school gates open and they are closed at 15:25.  
In a typical week, this amounts to 32 hours and 30 minutes.

# Admissions

We encourage families to come and visit our wonderful school. Making a decision about your child's school is an important one and we think it is important to make an informed choice. Please contact the school office if you would like to visit.

Applying for a mid year admission place for children in Reception to Year 6 is via Coventry City Council.

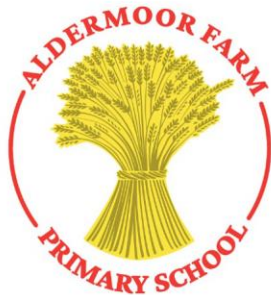

# School Meals

Currently our school dinners are cooked freshly on site by Innovate. We are proud to provide a main menu and additional Allergen Awareness (AA) menu, which removes the main allergens (gluten, egg, milk, and soya) from select meal options. School dinners can be ordered during registration. All Reception children are eligible for free school meals.
